An in-formal meeting of the county Wexford cycling clubs was held in February with a representative of each of the five clubs invited to attend. The purpose of the meeting was to allow the clubs meet and discuss proposals for the local racing calendar for 2012. The proposed leagues for 2012 are the Slipstream league, the SERC league, the Wexford Wheelers league, the Slaney CC Novice/A4 league and the Wexford Wheelers/Liam Bennett Time Trial league.

The object of the meeting was to ensure the calendar;

- Gave each club an opportunity to run their leagues without clashes that would impact on attendance.
- Gave riders an wide range of events to compete in without having too many events in any one week
- Put forward suggestions for the county championships in 2012

Following the original meeting there have been numerous contacts, phone calls, emails and texts resulting in the attached final draft of the 2012 local racing calendar. Please note the earlier dates of the county championships in 2012. The road race will take place on Sunday July 29th while the Time Trial will take place on June 5th

While each club will continue to organize their own league events as they see fit please note the five clubs have agreed the following important point:

All participants MUST possess a valid 2012 Cycling Ireland licence to compete, either a full racing licence or a club competition licence.

There will be NO exceptions to this rule and we ask all riders to ensure they have a licence in advance of the first events and do not put race organizers in the position of having to refuse entry.
