Albert Walsh
Hugh Byrne
Mick Finn

- Can all marshal's notify sign on when they arrive
- Take hi viz jackets/flags/signage and return afterwards
- If marshals have any problems on the road ring;
- Liam 087 8334592
- Derek 087 0617615
- First Aid kit at the finish line.
- Lead Drivers : Can you beep your horn when you are 500m from Junction 3 (Clonroche side) to give the marshals advance warning of your arrival. The lads are belting down into that bend so marshals have little time to act.
- Given last weeks events can everybody be vigilant as regards both personal property and any strangers or people acting suspiciously near race vehicles.
- We may have a drive by by Gardai tonight so can we ask that everybody avoids blocking the road before race and keep within your own side of the white line. It's important we keep local traffic moving.
